## UNIVERSAL SLING

*Easy to use. Easy to fit.*

Our most multi-purpose option, the Universal sling is easy to apply and remove while the patient is in a seated position. Used for bed to chair transfers and toileting, the sling has good back and thigh support.

The Universal sling comes with leg, hip and shoulder straps and features loops to accommodate various seating positions. Available in regular mesh, quilted or padded material.

### FEATURES

- Easy to use multi-purpose sling.
- Available in nylon, mesh, quilted or padded material.
- Easy to launder.
- Fits almost any lift.
- Patients require some neck control and body tone.
