ACCESSIBILITY SOLUTIONS

WE LIFT PEOPLE UP!

WALKING SLING:

Designed by Physiotherapists. Perfect for rehab.

Designed with the help of physiotherapists, the Angel Walking Sling offers upper body support and freedom of movement for patients doing exercises in a rehabilitation setting.

This supportive sling raises the patient from a sitting to standing position.

FEATURES

- Assists patients in rising from a sitting to standing position.
- Designed to allow freedom of movement for rehabilitation exercises.
- Durable padded material enhances comfort.
